

Impact Year 2021

Application Form

Q: What is the Impact Year?

The Rooted Impact Year is a passionate Christian discipleship gap year program aimed at teaching students between the ages of 18 – 25 years of age, what it truly means to become disciples of Christ. Our motto, 'Knowing Christ, and making Christ known', is derived from Colossians 2:7 and intends for each student to have a personal relationship with our Lord Jesus at the end of the Impact Year program. Rooted Impact Year offers a variety of opportunities in which students can grow on a spiritual, social and emotional level.

Join Impact Year 2021 for an unforgettable year of adventure, discovery, new friendships, and a found perspective on God's Word!
